GIN & TONIC

J.J. Whitley Elderflower <i>England</i> <i>This Elderflower gin has soft scents of juniper, coriander and cinnamon to create a sweet velvety sensation and a fresh, floral bouquet. We serve it with Fever Tree Elderflower tonic</i>	13
Silent Pool <i>Surrey</i> <i>The inspiration came about to create a spirit that captures the romance and narrative of its home region, by using local botanicals to tell the story of a place. In this instance, North Downs is the place and the botanicals harvested from this region include elderflower, chamomile, pear and honey, the latter of which is taken from hives owned by the vineyard next door. It comes accompanied by Fever Tree Elderflower</i>	14
Bobby's Schiedam Dry <i>Holland</i> <i>Bobby's is an exotic and contemporary Gin that is sure to have heads turning. Organic botanicals such as juniper, coriander seed, fennel and rosehips make Bobby's a 'Schiedam Dry Gin' and create half of the balance between East and West. The "Eastern" part of the line up are cloves, lemongrass, cubeb pepper and cinnamon. We recommend Merchant's Heart Aromatic Tonic Water for this refreshing G&T</i>	15
Williams Chase Great British <i>Herefordshire</i> <i>GB Gin is made from the same potatoes grown on the family farm in Herefordshire that produce the Single-Estate vodka. It is Britain's first Single-Estate Gin. Juniper buds and berries are added to Chase Vodka for the driest finish. Then wild botanical infusions of cinnamon, nutmeg, ginger, almond, coriander, cardamom, cloves, liquorice and lemon. Our G&T recommended is with 1724 Tonic</i>	16
Edinburgh Christmas Edition <i>Scotland</i> <i>The Master Distiller has bestowed this jolly tippie with frankincense and myrrh to add a fragrant aroma, adding a finishing note of nutmeg for genuine yuletide warmth. Heady with rich spices and sweet orange, this Christmas Gin has an almost textural honeyed finish due to the miraculous addition of myrrh – all qualities which make it the perfect winter warmer, married with Ledger's Tonic & Cinnamon</i>	17
Fifty Eight <i>London</i> <i>Fifty Eight Gin is a one man band operation, the gin distilled under a railway arch in Hackney Downs by Australian founder Mark Marmont. 58 Gin uses a total of nine botanicals: juniper, coriander, angelica, bergamot, lemon, pink grapefruit, cubeb berries, orris root and vanilla. Paired with Merchant's Heart Pink Peppercorn</i>	18
Filliers 28 Pine Blossom <i>Belgium</i> <i>If you love gin in general, this a gin for you. Bottled at 42.6%, the botanical adds to juniper's verdant nature and enhances the herbal element in the overall flavour profile. To taste, there is something almost nutty and savoury that combines the cardamom, juniper and underlying sweetness. Most appreciated with Merchant's Heart Aromatic.</i>	19
